 The United Kingdom I should probably step in now before this becomes a problem, but, eh. It's fine. I'm the biggest empire in the world. I'm not worried.

 Germany ▶ Russia hey, is it cool if we snag Poland?  
August 23, 1939 Comment · Like · Share

 Russia wanna split it? promise I won't fight you if the UK freaks out.

 Germany k

 Japan hey, what about our deal to hate Russia?

 Germany I really really want Poland.

 Germany ▶ Poland you're ours.

 Poland oh come on!

 The United Kingdom crud. ^WAR

 France ditto  
September 3, 1939

 Germany oh yuck. i forgot poland is full of jews.

 Reinhard Heydrich i have some ideas about what to do. i'll send you a private message

 Jews Is the idea that we should be left in peace forever?

 Hans Frank I ask nothing of the Jews except that they should disappear.  
1940

 Jews Why is that ALWAYS the thing people ask?  
Just now

 France ▶ The United Kingdom So, uh, are we gonna start fighting now?

 The United Kingdom k. NOW it's war.

 France Finally!

 Germany added Luxembourg, Belgium, The Netherlands, and France to its network.  
May 10, 1940 Comment · Like · Share

 France oh come on!

 The Netherlands ugh, Belgium and I got totally blitzkrieged last night. Now there's wienerschnitzel everywhere and we can't find any of our jews.  
May 1940 Comment · Like · Share

 Anne Frank all of the jews are definitely gone. you can stop looking. absolutely no jews here. ...that was just the house settling.

 France ▶ Germany psh. good luck getting through Ardennes. there are so many trees. it's like whaaa how did all these trees get here? you should just give up now.

 Germany ...you still think trees can stop tanks.

 France d'oh!

 Italy ▶ France WAR  
June 10, 1940 Comment · Like · Share

 Germany for a country so obsessed with punctual trains, you're getting to this war pretty late.

 Italy I didn't want to choose the wrong side again. but now I'm confident that you're my guy. Nazis! That's the name of winners if I ever heard one!

 Russia added Bessarabia and North Bukovina to its network.  
June 1940 Comment · Like · Share

 Germany uhhh. that wasn't included in the deal.

 Russia in soviet russia, deal doesn't include YOU!

 Germany is no longer friends with Russia.

**The United Kingdom** ▶ The United States Are you guys going to get in on this?  
June 1940 Comment · Like · Share

The United States Nah. We're just sailing around, keeping an eye on Japan, significantly increasing the size of our navy... definitely keeping neutral though. We don't like to interfere.

**Luftwaffe** ▶ The United Kingdom I'd LUFF to WAFT a few bombs in your direction.  
August 1940 Comment · Like · Share

Royal Air Force is that you trying to make a joke?

Luftwaffe ...yes

Royal Air Force ugh, Germans are the least funny people on the planet.

Luftwaffe we don't need humor. we're the master race.

Royal Air Force yeah, well, you're gonna lose this race because we invented radar.

**Japan** added Indochina to its network.  
September 1940 Comment · Like · Share

Germany hey, i'm really sorry about that thing with Russia. It didn't mean anything. You know you've always been my boo. (except for the fact that you're an inferior race and if we win i'll probably try to destroy you...)

Japan I also think you're an inferior race! this is meant to be. Xx, Japan (those are kisses, and also what your eyes will look like if we win)

**Germany** is in a complicated relationship with **Japan**.

The United States hey, Japan, it's pretty IRONIC that you won't be getting any iron from us anymore.

The United Kingdom that's not irony.

**Italy** ▶ Germany k. so. don't freak out, but we decided to invade Greece and Africa and it is NOT going well. Can you come help us out?  
December 1940 Comment · Like · Share

Germany oh come on! The UK is bombing the crap out of us and you need help in GREECE? Fiiiiine. We'll send you some planes. maybe send u a boat. get it? send U a Boat?

The United Kingdom no jokes.

**Germany** created the event Operation Barbarossa.  
June 22, 1941 Comment · Like · Share

Russia you don't want to do this.

Germany Russia. you're going down.

Joseph Stalin ruskiies, show them what we do. destroy EVERYTHING.

Germany psh. we're going to win this thing. we've got your best cities surrounded.  
October 1941

Russia just wait.

Germany oh snap.it's freezing here! how do you people live here?!

Russia yep. RUSSIA. suck on that ice cold popsicle of awful!

**Japan** ▶ Pearl Harbor Aloha, losers.

June 18, 1945 Comment · Like · Share

Common Sense This is a really really really terrible invention. If you ever use it, everyone will know about it, and then that's definitely how we're all going to die.

Germany FYI, we've been putting jews and gypsies and gays and cripples into gas chambers and just destroying them by the millions.

Common Sense ok. i've gone blind and deaf and all I know is rage. this project sounds like a GREAT IDEA.

**Japan and The United States** attended the event Battle of Guadalcanal.
